

Dear Paradise South Residents I wanted to inform you that while it has been my pleasure to work here with you, it is time for me to move on. As of August 26, 2011, I will no longer be the manager of Paradise South. It has been an honor meeting each and every one of you and hearing all the wonderful stories of your lives. While I regret leaving the park it is a good opportunity for my family. I am grateful for all your help during my short time here.

Joe Hernandez
